**GLOBAL NOTES REGARDING DEBTOR'S SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statement of Financial Affairs (the “SOFA,” and collectively with the Schedules, the “Schedules and Statements”) filed by Kay & Sons LLC (the “Debtor”), in the United States Bankruptcy Court for the Eastern District of Pennsylvania (the “Bankruptcy Court”), were prepared pursuant to Section 521 of Title 11 of the United States Code (the “Bankruptcy Code”) and Federal Rule of Bankruptcy Procedure 1007 by the Debtor with the assistance of counsel and are unaudited. While the Debtor has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was available to it at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtor reserves its right to amend the Schedules and Statements from time to time as may be necessary or appropriate. The Global Notes Regarding Debtor’s Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Case and “as of” Information Date. On June 22, 2022 (the “Petition Date”), the Debtor filed a voluntary petition with the Bankruptcy Court under chapter 7 of the Bankruptcy Code. Unless otherwise state, asset and liability information is as of the Petition Date.

2. Basis of Presentation. For financial reporting purposes, Debtor prepares financial statements that include financial data from the Debtor. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”).

3. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtor in the preparation of the Schedules and Statements:

a. Payments Made within 90-days prior to the Petition Date. Payments made to non-insider employees for ordinary course salaries, wages, bonuses, commissions and employee benefits were omitted from SOFA 3(b).

b. Inventories. Inventories are provided as kept in the ordinary course of the Debtor's business. The Debtor reserves all rights with respect to the valuation of any inventories.

c. Valuations. Unless otherwise specified, amounts listed as the value of personal property represent the net book value of each such asset as of or shortly preceding the Petition Date pursuant to the Debtor's books and records, derived from the original book value of each such asset minus depreciation over time. This may or may not be equivalent to fair market value.

d. Causes of Action. The Debtor has not necessarily set forth all claims or causes of action against third parties as assets in the Schedules and Statements. The Debtor reserves for the benefit of the estate all of its rights with respect to any such claims or causes of action it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

e. Secured Claims. The Debtor reserves for the benefit of the estate its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor, whether or not listed on Schedule D. Furthermore, secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. The Debtor did not estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Any descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

f. Priority Claims. As some taxing authorities may not yet have assessed all of the Debtor's pre-petition tax obligations, the Debtor specifically reserves for the benefit of the estate the right to amend Schedule E to include any such later discovered tax obligation.

g. Executory Contracts. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtor hereby reserves for the benefit of the estate all of its rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed in Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and

agreements which may not be listed therein. Certain leases listed on Schedule G may contain renewal options, guarantees or payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations may not be set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which Debtor is a party is not executory. Parties to executory contracts and unexpired leases were not listed on Schedule F, except where past due amounts were recorded in the Debtor's accounts payable. The Debtor has not listed on Schedules D or F executory contract counter-parties which may have claims related to contract/lease rejection or other damages. The Debtor reserves for the benefit of the estate all of its rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization as executory or the structure of any transaction, document or instrument.

4. Adjustment to Scheduled Claim Amounts. Certain of the Schedules list creditors and set forth the Debtor's estimate of the claims of creditors. The amounts scheduled are based on the Debtor's records as of certain dates prior to the Petition Date, and the actual obligations to certain creditors may necessarily require adjustment upward or downward, to the extent payments may have been made or further invoices received which were not yet reflected on the Debtor's books and records as of the date of preparation of the Debtor's Schedules and Statements.

5. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtor to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of the Schedules as disputed, contingent and/or liquidated does not constitute an admission that such claim is not subject to objection by the Debtor. The Debtor reserves for the benefit of the estate the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules, as to amount, liability or status.

6. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
